PRESIDENT'S MESSAGE

Dear St. Michael's College School students,

Welcome to your 2023-24 yearbook!

Congratulations to all of our graduates — the newest members of our alumni community!

On behalf of the St. Michael's College School family, we wish you, the Class of 2024, health, happiness, and much luck as you open the next chapter of your academic journey. Please remember that St. Michael's is and always will be your home, so do come back to visit!

This 2023-24 academic year has been quite the year, with many exciting events happening inside and outside the classroom. In the school's 171st year, a rich tapestry of instructional learning has been woven, including your participation in 20 different inter-school sports, more than 60 clubs and activities, fall and winter camps, radio play, musical, March Break history and business European trips, Florida Trip Band, Boston Trip Band, grade retreats, and various student leadership opportunities.

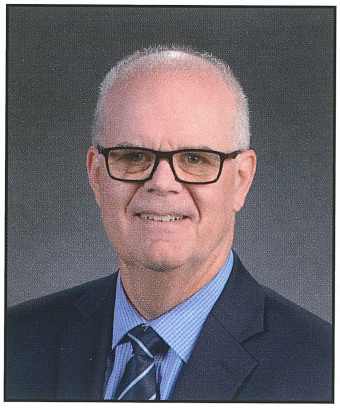
Your SMCS yearbook is an official archive filled with treasured memories of the past school year. We hope it will always serve to rekindle fond recollections of the friendships formed during your high school days. This yearbook also serves as a testament to the beacon of activity that is St. Michael's College School. Be proud of your contributions to the many academic and co-curricular activities that comprise the core of this book. Each of you play an integral role in continuing our school's storied tradition of excellence and following the motto: Teach me Goodness, Discipline, and Knowledge.

Thank you to all those who made this yearbook possible! My gratitude and appreciation to our outstanding faculty, staff, and students for your vital role in making St. Michael's College School the exemplary institution it is today.

May God continue to guide and bless each one of you in your future endeavours.

Blessings,
Fr. Andrew Leung, CSB
President

PRINCIPAL'S MESSAGE



Dear St. Michael's College School students,

Welcome to this year's edition of The Tower.

I hope that it reminds you of time spent with friends, both old and new, participation in our diverse offering of Athletics, Clubs and the Arts, and a year of learning and striving to be better in all that you do.

Congratulations and thank you to Ms. Shin and the Yearbook class for capturing our journey as a school in such detail over the past year. It is a fantastic account of a strong and vibrant school community and reflects both the traditions that have been built at St. Mike's since 1852 and how you have built on those traditions over the past year.

For our graduates, I hope that you continue to feel connected to St. Mike's not only by the memories captured in this yearbook but also by staying connected as an active alumnus of our school. Best wishes and continued blessings next year and in the years to come.

To all our students, thank you for the part that you have played in making St. Mike's such a special place. Continue accepting the challenge to work towards changing the world though lives of faith, character, and service.

Sincerely,

Mr. Pat Daly

In Memoriam

Mr. Frank Heijmans

1959 - 2024

The St. Michael's College School community was deeply saddened by the passing of Frank Heijmans on the evening of May 10, 2024.

Mr. Heijmans was a beloved faculty member of the St. Michael's College School family for the last 14 years, positively impacting many lives with his passion for education, warm personality, and infectious smile. He was instrumental in his leadership as Head of the Science Department and deeply dedicated to the school's co-curricular programme through the VEX Robotics and Engineering clubs. He also coached soccer for several years and participated in several community outreach opportunities.

On behalf of the Basilian Fathers and the entire St. Michael's College School family, our prayers are with his wife Cathy, and children Peter '08, Genevieve, and James '22, and the entire Heijmans family.

Moreover, we take immense pride in hosting our annual Black student conference at St. Michael's College School, providing a platform for dialogue, empowerment, and solidarity among black students and allies. WELLNESS TEAM LISTENING CIRCLE

This year, the SMCS community welcomed a new initiative to provide solace for bereaved students and staff. The inaugural 'Listening Circle' was founded and led by Grade 12 student Gianluca Caporicci in October of the 2023-24 school year. The group aimed to provide members of the school with an opportunity to share their stories of grief, seek comfort, and create lasting connections in isolating times of sorrow. Through open-ended dialogue and compassionate listening, the group came together to navigate the stages of grief that come in unexpected waves. Guided by empathy and common understanding, the circles fostered an essential environment for healing and resilience, while reminding us that we are never truly alone in our struggles.

The group would like to thank some of the members of faculty who participated in this group, Mr. Antolin, Ms. Benzacar, Dr. Fantilli, Ms. Fernandes, Ms. Lombardi, Fr. May, CSB and so many more who helped realize this group's potential. Some of the students who gathered in the Listening Circle are Grade 12's Gianluca Caporicci, Giuliano Demasi-Ventrone, Davide Capozzolo-Giovannoni, and Connor Israel. Grade 10's Peter Favero, Leo Favero, Jack McCall and Grade 11 Eric Li. We look forward to seeing this group continue to foster a safe space within the yellow brick walls.

CROSS COUNTRY U14

College School
Basilian Fathers

Our 2023 U14 cross country team had an outstanding season and consistently impressed coaches with their great passion for and interest in running. Their grit paid off in their first meet of the season where the team won both the U13 and U14 categories with three U13 boys placing top 10 and five U14 boys placing top ten. The team continued to shock parents, spectators, and fellow competitors at two other regular season meets with their exceptional results and domination of the top 10 places. In an unexpected turn of events, we were left with just one U13 runner at CISAA as a result of illness and injury so winning the entire championship was no longer feasible. Our one-man U13 team did however snag first place in the race and our U14 team captured CISAA gold with six runners finishing in the top 15.

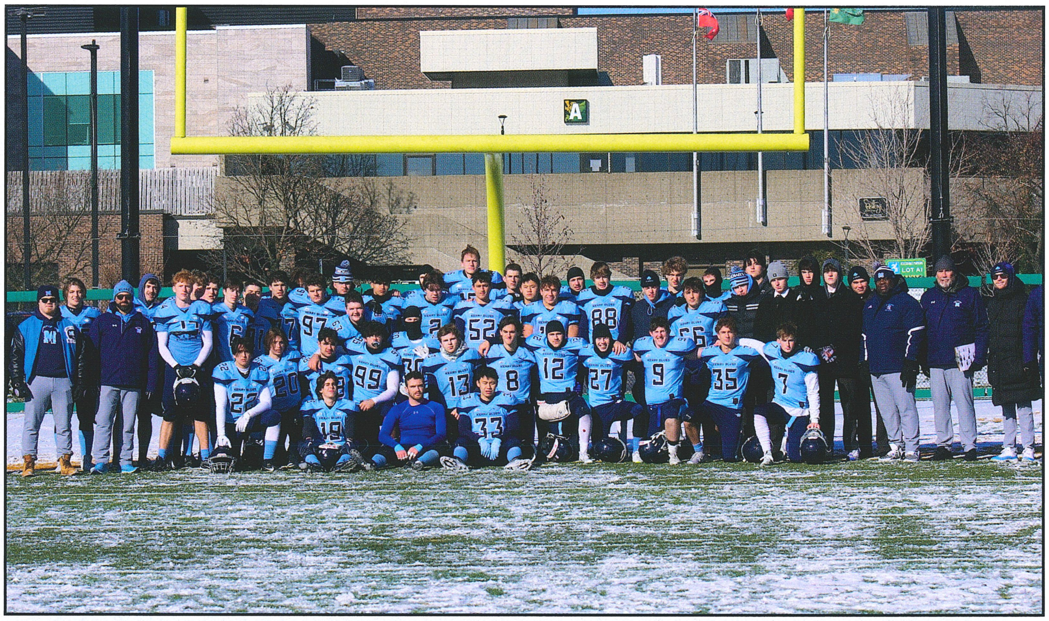
FOOTBALL SENIOR

The Sr. Kerry Blues football team navigated a season of highs and lows, finishing with a respectable .500 record (5-5 record). The team showcased resilience and determination throughout the season as they faced some of the toughest competition in the province. They started the season with promise, securing a key victory over Robert F. Hall in exhibition play and taking a top 10 in the province to overtime. The players displayed unity and teamwork, supported by dedicated coaching. As the season progressed, the team improved despite losing a close game to UCC in the semifinals. The Sr. Kerry Blues were the CISAA representative in the OFSAA Bowl playdowns. Despite a great start, the Kerry Blues would lose their OFASS final. However, there were many memorable moments throughout the season displayed through their sportsmanship. While the season may not have met all expectations, it provided valuable lessons in perseverance and dedication to football. The Kerry Blues can be proud of their achievements, and we wish those student-athletes moving on to the next level continued success.



Coaches: Dr. D. Lumsden, Mr. M. Ross.

BASKETBALL JUNIOR DI

Welcome to the
HER KENNEDY
ALL CATHOLIC
INVITATIONAL
KENNEDY

This year's Junior Basketball season was full of mountains and valleys. On the plus side, the team competed against some of the top prep programs in the province and acquitted themselves well.
On the downside, the team struggled to capture tournament titles or make the CISAA finals - both goals for the team.
However, we must recognize that this was year one of a new journey together. Most of this year's team was made up of Grade 9 players who will be returning next year buoyed by an exceptionally strong group of Grade 8s coming up.
The glimpses of excellence demonstrated this year will be our base to build from, something we have already started to do as our U15 Rep team qualified for the OBA Provincial Championships in May.

BASKETBALL JUNIOR DII

The 2023 - 24 season started in November with a series of tryouts and scrimmages. We had a big turnout for the week-long tryouts. The final team was selected at the end of November, and the season began at the end of term one. We started with a roster of 16 players: four Gr. 10's and 12 Gr. 9's. As the team settled into the Christmas Holiday's we had a 2 and 0 record heading into January of 2024. The second term involved playing out the regular season schedule in pursuit of a playoff spot. In the playoff game in Oakville @ Appleby College, the boys gave a valiant effort with a short bench. The season ended with a loss in the quarter finals. Something that wasn't done in the previous school season. A huge improvement for the previous season. Congratulations Team.

Prayer to Saint Michael the Archangel
